<b>Minutes of last meeting:</b>

<b>Matters arising of minutes of last meeting:</b>	
<ul style="list-style-type: none"><li>• We have still not received a list of outstanding works from Stephen Gillians – Highways Adoption Engineer, MK Council. Russell and Local Councillor Rosemary Drewitt are both on the case to get these.</li><li>• A volunteer to take over from Mandy Cranston has not been found and due to this, this item will be removed from future minutes until further notice.</li></ul>	
<b>Financial Report:</b>	
An update was provided in Darren's absence as follows:  Current balance stands at £289 but there are some funds to be removed to cover the costs of the Quiz night and the meeting administration costs.	
<b>Sub Committee Updates:</b>	
<b><i>Howard Leonard - Completion of works (roads/house snagging etc)</i></b>	
None of the residents have been forthcoming with issues that they are experiencing either in the public domain or with their own builder but it is felt that the main concerns of resident's are around the public areas. For this reason it was suggested we choose a Top 10 issues list and work as a group on these. Details to follow.	
<b><i>Ruth Tudhope – Social</i></b>	
<b><u>Avon Night</u></b> – There was a good number involved and a good night was had by all in attendance. Although no monies were raised for the WRA, the purpose of this was for social purposes only.	
<b><u>Quiz Night</u></b> – Again another great success and a good time was had by all. Unfortunately, due to a costings error we did loose money on this evening but this has been covered by the WRA fund	
There are no further events planned at this time.	

**TWRA Website**

Thanks to WYSIWYG, our resident IT Solutions company, the website is coming on a treat. A proposed format has been presented to the Committee for approval and a separate meeting will be scheduled to discuss the content management.

A logo is needed for the website and any WRA correspondence. It was discussed holding a competition for our local residents to design but no firm decision reached.

**Westcroft's Top 10 Issues**

Further to the Completion of Works item, it was agreed we would collate a list of the top 10 issues affecting the resident's of Westcroft covering both the new and old parts of the development and below is what was agreed.
